

Wyoming State Historical Society
Julia Yelvington Adams Book Publication Fund
Application Form

The Wyoming State Historical Society (WSHS), to fulfill its mission of encouraging the study and dissemination of the history of Wyoming, will assist with the publication of printer-ready books related to Wyoming history. Carefully read the information on the submission and selection process found on the WSHS website at wshs.org.

The completed application and electronic copy of the printer-ready manuscript are to be submitted by December 1st of each year. Because of limited funding, the committee will only consider one or two publications a year. All decisions are final.
